Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §§1.56, 1.97, and 1.98 the applicants enclose herewith and as listed in the accompanying Form PTO-1449, documents for consideration by the Patent Office.

The applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application. This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made.

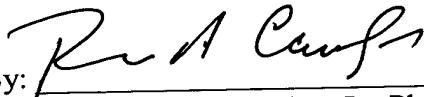

This information disclosure statement is intended to be fully compliant with 37 C.F.R. §§1.56, 1.96, and 1.97. However, should the examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 C.F.R. §1.97(f), to enable the Applicants to comply fully.

The applicants respectfully request consideration of the cited documents and making the same of record in the prosecution of the above-captioned application. In view of the fact that a first official action has not been received, the applicants
